Re: Hearts Full of Gratitude for Friday Morning Dallas SLLC Symposium

American playwright and novelist Thornton Wilder wrote, ***“We can only be said to be alive in those moments when our hearts are conscious of our treasures.”***

Each of you are a treasure and our hearts are full from the wonderful Friday morning we experienced together at the Dallas Servant Leadership Learning. We cannot begin to express the amount of gratitude we have for Communities Foundation providing a beautiful space for the event to happen and providing a bountiful breakfast to start our day.

Thank you **Tara Albertson** for kicking off the day and inspiring us with the importance of feedback and the link to trust in our organizations. And, thank you to our incredible mini-session breakout presenters—**Mike Blevins, Ginny Gilmore, Deborah Welch, Chief Mac Tristan and his stellar Coppel officers, John Viard, Pat Falotico, Luis Duran-Aparicio, and Timm Chamberlain.**

So many of you expressed appreciation for the information you learned in each of these sessions. We are so appreciative of our friends who flew in from other parts of the country to share with us, and also to our SLLC local members who shared from your experience.

Many of you have asked for a way to **contact our presenters** should you have follow up questions. Here are email addresses for each of our breakout presenters:
